Call for Applications

Kiel Life Science Award 2017 for Early Career Postdocs

Categories (one award per category):

- Medicine
- Non-medical Life Sciences

The deadline for submission is **September 15th 2017**.

Criteria:

- Research activities must be focused on medical or non-medical life sciences
- Application max. **3 years after having obtained the doctoral degree** (date of document is determinant)
- Outstanding doctoral thesis
- Excellent research quality
- Postdoc must be working in a KLS member institute or clinic

To apply, please submit:

- Personal statement: The statement should include a short summary of your doctoral thesis and current research, the interdisciplinary significance of your research and demonstrate your personal excellence
- Letter of recommendation from PI
- Short CV including publication record, age and information about the doctoral thesis, such as title, supervisor(s), date of completion and jury evaluation

Endowment: **€6,000** per award (€5,000 for science plus €1,000 at own disposal)

The winners will be invited to give a talk at the KLS Retreat (November 16th 2017).

Please submit your application by e-mail (in one pdf: max. 5 pages, Arial 11pt; 1.5 space) to the KLS Scientific Office, Dr. Kirsten Emmert, kemmert@uv.uni-kiel.de.
